Mayor Martin J. Walsh and the Boston Parks and the Recreation Department will host the 19th Annual Neighborhood Coffee Hour Series from 9:30 to 10:30 am on Wednesday, April 25 at the Martin Playground, 95 Myrtlebank Ave in Dorchester. Enjoy coffee and breakfast treats from Dunkin' Donuts and fresh fruit from Whole Foods Market. Each family will receive a flowering plant from the City's greenhouses as a gift from Mayor Walsh and residents will be eligible to win raffle prizes from Dunkin' Donuts.

Saturday May 5th at 9am - is the Dorchester area "Love Your Block" neighborhood cleanup. We need volunteers to come help clean up the planters by the Adams Village Clock and the surrounding area. Email to let us know you can help cedargrovecivic@gmail.com

Welcome to Patrick Fandel who will be Mayor Walsh's new Dorchester liaison with the city's Office of Neighborhood Services. Pat is a Boston College High School graduate who lives in Lower Mills. He graduated in Spring of 2017 from the Catholic University of America in Washington DC with a Bachelor of Arts in Political Science and History. The neighborhood liaisons are frequent faces at our monthly meetings, acting as point people for the Mayor's office and working with other city departments to deliver services to their representative areas. Our thanks to Savin Hill resident Dave Cotter, who held the Dorchester post since Fall 2015, as he has transitions over to the Department of Neighborhood Development.

4th Annual "One Boston Day" on April 15th encourages civic participation in acts of goodwill. One Boston Day is an opportunity for businesses and organizations to come together and volunteer on neighborhood projects like the Martin Richards Foundation clean up with the Ashmont-Adams Neighborhood Association. #OneBostonDay Learn about projects at www.onebostonday.org

Congratulations Frank! This year's April 26th DOTFEST fundraiser to benefit DotHouse Health Center will honor Frank Doyle, former Executive Director of Boston HealthNet Inc. (BHN) and current Chairman of the Boston Public Health Commission and Board of Health. Throughout his more than twenty plus years of leadership in health care at BHN to his work throughout Boston, the state and the nation, Frank has devoted his career to supporting healthier communities.
