NOTES FROM THE SEPTEMBER CGCA MEETING

John Pulgini updated the CGCA membership on the Developer's new plans for 38R Minot. They have proposed building three 2,100 square foot townhouses to replace the existing two family house facing Minot Street on the corner of Ann Street.

State Rep Dan Cullinane shared updates on the Trolley and his work to call attention to the importance of preserving this transportation option for the neighbors.

Pat Fandel from Mayor Walsh's Office of Neighborhood Services shared information about the Adams St Library Community meeting and the new Blue Bike's station in Adams Village on Gallivan Blvd. He also mentioned the upcoming availability of Community Block mini-grants and neighborhood cleanups for beautification projects: <https://www.boston.gov/civic-engagement/love-your-block>

Roy Smith CGCA Treasurer shared the Association's efforts to improve the Adams Village Triangle green space in front of the Old Dorchester Post. The goal is to bring the local business, elected officials and community together to install plantings and provide an ongoing maintenance plan. With so many new businesses and visitors, this would be a great time to beautify the corner!

Dave Anderson CGCA President provided an update on the McDonald's expansion proposal. There was no news from the owner, but members at the meeting discussed the need to advocate for the driveway gates to be closed at night, the installation of security cameras, better trash pick-up by McDonald's in the area surrounding the restaurant and the closing of the exit onto Granite Ave. Dave also mentioned that the subcommittees from St Ann's/St Brendan's were working hard on planning events and encouraging greater Mass participation, increasing donations and seeking volunteer participation. The financing of the parishes are also being reviewed with respect to

NEIGHBORHOOD NEWS

Adams Street Branch Library Design Phase. After several community meetings and working with the staff and Friends of the Adams St Library, city officials and planners have provided an updated presentation on the new library that was well received by a full room on the 25th. At the last meeting people wanted to preserve the Oak Tree on the corner of Oakton Ave and have the Garden Room on the Oakton Ave side and both items were included in the updated plans. The layout of the rooms and a draft of the exterior building design and possible materials were also presented. Mayor Walsh also wants the building to use green building strategies and meet LEED "Silver" standards. Here is a link to the public presentation on Sept 25, 2018 and prior meetings: (<https://www.bpl.org/adams-street-projects/>). To sign up to receive updates please email BPL Director of Neighborhood Services Priscilla Foley (pfoley@bpl.org).

The St. Ann's/St Brendan's Collaborative celebrated an historical outdoor community Mass on Sunday, September 23rd, 2018 at the Pope John Paul II Park (PJP2P). The parishes brought together hundreds of people, a gathering that exceeded expectations to the point where not enough communion hosts were available for all who wished to participate. After the celebration, kids and adults enjoyed a light supper of hot dogs, chips, drinks and ice cream. We wish to thank the volunteers from both parishes, the Knights of Columbus and the Boston Police Ice Cream Truck for all their help in making this a special day.
